1. An Internet safety policy has been adopted and implemented.
2. With respect to use by minors, the District is enforcing the Internet safety policy and operating a technology protection measure during any use of the computers.
3. With respect to use by adults, the District is enforcing an Internet safety policy and operating a technology protection measure during any use of the computers, except that an administrator, supervisor, or other person authorized by the District may disable the technology protection measure during use by an adult to enable access for bona fide research or other lawful purpose.

47 U.S.C. 254(h)(5); 47 CFR 54.520

ESEA FUNDING

Federal funds made available under the Technology for Education Act of 1994 (Title III of the Elementary and Secondary Education Act [ESEA]) for an elementary or secondary school that does not receive universal service discount rates may not be used to purchase computers used to access the Internet, or to pay for direct costs associated with accessing the Internet unless the District:

1. Has in place a policy of Internet safety for minors that includes the

operation of a technology protection measure that protects against access to visual depictions that are obscene, child pornography, or harmful to minors and enforces the operation of the technology protection measure during any use by minors of its computers with Internet access; and

ADULTS

2. Has in place a policy of Internet safety that includes the operation of a technology protection measure that protects against access to visual depictions that are obscene or child pornography; and enforces the operation of the technology protection measure during any use of its computers with Internet access.

The District may disable the technology protection measure to enable access to bona fide research or for another lawful purpose.

CERTIFICATION TO DOE

The District shall certify its compliance with these requirements to the Department of Education as part of the annual application process for each program funding year under the ESEA.

20 U.S.C. 7001(a)

TRANSFER OF EQUIPMENT TO STUDENTS

The District may transfer to a student enrolled in the District:

1. Any data processing equipment donated to the District, including equipment donated by a private donor, a state ele mosynary institution, or a state agency under Government Code 2175.126;
2. Any equipment purchased by the District; and
3. Any surplus or salvage equipment owned by the District.

Education Code 32.102(a)

Before transferring data processing equipment to a student, the District must:

1. Adopt rules governing transfers, including provisions for technical assistance to the student by the District;
2. Determine that the transfer serves a public purpose and benefits the District; and
3. Remove from the equipment any offensive, confidential, or proprietary information, as determined by the District.

Education Code 32.104

DONATIONS

The District may accept:

1. Donations of data processing equipment for transfer to students; and
2. Gifts, grants, or donations of money or services to purchase, refurbish, or repair data processing equipment.

Education Code 32.102(b)

USE OF PUBLIC FUNDS

The District may spend public funds to:

1. Purchase, refurbish, or repair any data processing equipment transferred to a student; and
2. Store, transport, or transfer data processing equipment under this policy.

Education Code 32.105

ELIGIBILITY

A student is eligible to receive data processing equipment under this policy only if the student does not otherwise have home access to data processing equipment, as determined by the District. The District shall give preference to educationally disadvantaged students. *Education Code 32.103*

RETURN OF EQUIPMENT

Except as provided below, a student who receives data processing equipment from the District under this policy shall return the equipment to the District not later than the earliest of:

1. Five years after the date the student receives the equipment;
2. The date the student graduates;
3. The date the student transfers to another district; or
4. The date the student withdraws from school.

If, at the time the student is required to return the equipment, the District determines that the equipment has no marketable value, the student is not required to return the equipment.

Education Code 32.106
