Directions: Read through the following instructions before traveling on your virtual field trip. While on this journey, there are **five** activities you are to complete.

1. Briefly tour the virtual field trip for an overview.
2. List the categories found in the virtual field trip that you are to investigate.
3. Locate information necessary for your project and document where it was located.
4. Describe your trip and what you experienced at each location (journal entries). And, create postcards and souvenirs that you would send home or give to your loved ones. These will be submitted as part of your grade.
5. Present all your findings in a multimedia presentation (Power point).

*****WARNING*****

It is easy to get sidetracked on your virtual field trip journey!!! Watch your time, enjoy your trip & hope you learn lots along the way...

Activity #1

Sit back and tour **each** of the categories in the field trip. Click on at least **two** sites within each category. Once you've completed the brief tour,

return to the virtual field trip's home page. Now you are ready to gather information along the way.

Activity #2

List each of the categories you are to research during your virtual field trip.

Activity #3

As you travel through the sites provided, locate information necessary for your project and document where it was located. Use an additional sheet if necessary.

See the following table...

Category	Information	Location

Activity #4

Journal Entries and Postcards/Souvenirs

Keep a "daily" record of what you experienced from the time you started your adventure to when you arrived home. Be as detailed as possible. Creativity has no boundaries!!! This document is to include a cover page that you will design. You are also to create postcards from each biome that you would send home and design a souvenir that you might give a loved one.

As you continue your travels, select **three** categories that interest you the most and write three interesting facts about each one that you learned while visiting there. The following is a suggested format you may use...

Category: _____

URL Address: _____

URL Address: _____

Interesting Facts:

1. _____

2. _____

3. _____

Activity #5

Compile your information into a power point presentation. The entire project should be a minimum of 15 slides and should include a title page, credits page and graphics. Be sure to include all your travel arrangements.

GOOD LUCK!!!

Extension Activity

Activity #1

Of the sites you visited on your virtual field trip, which would you like to visit in person? Why? Also, who would you take with you on this trip and why?

Activity #2

Select two sites you visited and write their URL addresses.

URL Address _____

URL Address _____

Compare and contrast these two sites. Provide at least three (3) ways in which they are similar and at least three (3) ways they are different.

Activity #3

Who would you recommend this field trip to and why? In your opinion, is there any type of site, category, and/or information that should be added to this field trip site? If so, what and why?
